Carol,
Attached is the info for the Lab. Can we squeeze out a few minutes on Monday to talk about Sydney? Thanks.

As you may recall we were able to delay the layoffs of twenty-one staff in FY10 by charging them to either the H1N1 reserve or to another sources of funds. At this time, we have to provide a revised RIF list for FY11 to Lana Jerome early next week. For the staff on this list that work in your bureau, please indicate whether or not you have identified another source of funds or if they should remain on the layoff list for FY11.
